E11 COST OF LIVING - A PERSONAL PROBLEM OR A SOCIETAL ISSUE - Face-to-face class

NEW

Margaret Thatcher famously stated "I think ... too many people have been given to understand 'I have a problem, it is the Government's job to cope with it'. Thatcher argues "people (need to) look to themselves first". The media driven and politically divisive concept of cost of living clearly fits into Thatcher's quote. This issue - sure to be a key battle ground in next year's Federal election forms the focus of this unit and is critically examined in light of Thatcher's ideological position.
