President's Message, Term 2 2018

Here we are nearly at the beginning of Term 2 and while it may feel like the year has only just started, U3A has achieved a lot already. Room 18 has been enlarged, twenty of our office staff undertook CPR training, defibrillators have been acquired for both Adelaide Street and Creek Street, and most importantly, a record number of people are attending classes. All in all, a very successful year to date.

I'd like to expand on a couple of these topics:

I have already spoken at length about the defibrillator purchase in the February E-News and on Facebook, but as they have now been installed in both the Creek Street and Adelaide Street campuses, I want again to stress the importance of this potentially life-saving equipment. Our supplier, *Priority First Aid*, has conducted extensive training with our office volunteers who are now confident that, if an emergency should arise, they will know how to use the apparatus until paramedics arrive. Of course, this is one investment made by U3A Brisbane that we hope will not be needed. However it, along with the recent CPR refresher course, does give us peace of mind that we are as prepared as we can be should such an emergency arise.

We have experienced record participation rates in classes so far this year, especially in the language classes. Unfortunately, space constraints mean that there are limits to some classes and some potential students have been disappointed. Depending on the subject, tutors may maintain waiting lists and are able to welcome new students during the year. We are doing our best to recruit more tutors and our City Campus Tutor Liaison Officer, Gail Hawkins, is constantly fine-tuning room availability. She is doing a fantastic job and will do her best to accommodate all requests, but sometimes this is just not possible. To avoid disappointment, please choose your classes for the new term as soon as you receive this Class Schedule and book immediately.

The Annual General Meeting of U3A Brisbane for 2018 is to be held on Wednesday 11th April at our Adelaide Street rooms so please attend if you can. The Management Committee will be reporting on a very successful 2017 and will lay out our plans for the forthcoming year, along with electing members to the 2018 committee.

Wishing all members a very happy and fulfilling Term 2.

SOCIAL EVENTS (cont.)

“BEAUTIFUL” – The Carole King Musical

LYRIC THEATRE

Long before she was Carole King, chart-topping music legend, she was an ordinary girl with extraordinary talent. She sold her first hit, *Will You Love Me Tomorrow*, when she was just seventeen. By the time she was twenty, she was writing number one hits for the biggest acts in rock ‘n’ roll, including The Drifters, The Shirelles, Aretha Franklin and The Monkees. *Beautiful* is the inspiring true story of

King’s journey from school girl to her remarkable rise to stardom and superstar. Along the way, she became one of the most successful solo acts in popular music history, with countless classics such as (*You Make Me Feel Like*) *A Natural Woman*, *I Feel The Earth Move*, *Take Good Care of My Baby*, *You’ve Got a Friend*, *So Far Away*, *One Fine Day*, *It’s Too Late*, *Tapestry* and *Locomotion*. There are over 20 musical numbers in this moving story.

DATE: Tuesday, August 14, 2018 – Lyric Theatre – 1:00 pm

COST: \$95 General Admission, Concession \$75

CLOSING DATE: 28 May 2018

For all of the above events, you can book at 97 Creek Street office or by phoning the office on 3236 3055 and paying by credit card.

WINTER SCHOOL 2018

Plans for Winter School 2018 are now well underway and this year it will run from Monday 9th July to Saturday 14th July so please put these dates into your diaries. Each year we try to bring you something different and Keynote will start the ball rolling with not one, but three speakers, on the very important subject of Alzheimer's. We plan on approaching this important subject from three separate angles and you will be pleased to learn that it is not all bad news.

Dr Daniel Blackmore from the Brain Institute will talk about the causes, the ground-breaking research they are working on and strategies to help combat the disease. John Quinn, who was diagnosed with early onset dementia some years ago, will tell us how he is coping with the disease; he is an inspirational speaker who is in demand both internationally and nationally. Lastly, John's wife Glenys will provide a carer's viewpoint.

We will keep you posted with developments via E-News, website and Facebook and if anyone has come across an interesting speaker for Winter School I would love to hear from you. I can be contacted via: winterschool@u3abrisbane.org.au

Coffee Cups

In order to reduce the number of disposable (and unfortunately not recyclable) coffee cups used in the Creek St and Adelaide St kitchens, members are asked to bring their own coffee cup each day if possible.

Alternatively, you can also help the environment by using one of the shared ceramic cups. If you choose to do this, it is important that you leave your cup in the dishwasher after use to help reduce the workload of the office volunteers.

Thank you for your help in reducing land-fill waste.

Defibrillators Installed

U3A Brisbane has now purchased and installed Automated External Defibrillators (AEDs) at Creek St and Adelaide St premises. These are intended for use in the event that someone suffers a cardiac arrest while on the premises.

A group of office volunteers has been trained in their use, as well as being trained in CPR. These units are fully automated and provide audio instructions for each step, so can be used by a competent but untrained person if necessary.

In the News section of our website, you can view a video that demonstrates this unit in use. We encourage all members to view this video so as to better understand the process and the circumstances in which defibrillation is advised.

The purchase of these defibrillators was partly made possible by a grant from our insurers, Community Underwriting, and we appreciate the assistance provided.

New chairs for Creek St.

Over the April term break we will be replacing the current plastic chairs in the Creek St classrooms with new modern padded chairs of the same type as presently used at Adelaide St. We hope members appreciate the added comfort and also expect that this will aid your concentration during class.

Language Tutors Wanted

Tutors at U3A Brisbane are all volunteers from all walks of life. The common thread that ties them together is the desire to generously share their skills, talents, experience and knowledge with their fellow members. They are the vital engine that drives the organisation. If you have ever considered the idea of tutoring, then here is opportunity knocking loudly. We need more tutors in all districts to cope with the thirst for knowledge of our growing membership.

We have a particular need at present for Tutors in the following languages, especially at Beginner level:

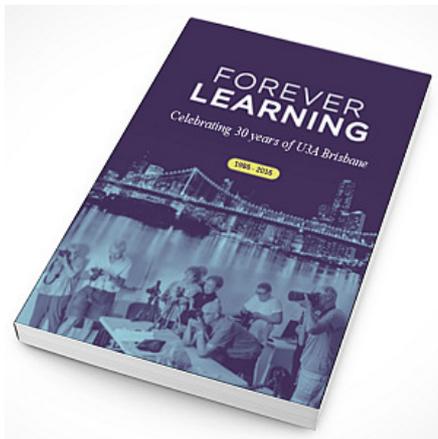

French, German, Italian, Latin, Spanish

Some of our members find that our existing classes in these languages fill up quickly and they are unable to enrol. We also have high demand for History classes.

If you are qualified to teach these subjects, either as a native speaker or as a language teacher, we could do with your help. Please contact the City Campus Class Coordinator, Gail Hawkins, at:

tutors@u3abrisbane.org.au

Final Sale—U3A Brisbane 30-year History

We still have a limited number of copies of the U3A Brisbane history *FOREVER LEARNING - Celebrating 30 years of U3A Brisbane*, which was launched in November 2016 by the Governor of Queensland. The book is dedicated to the generous volunteers who have built U3A Brisbane since it was founded in 1986. These remaining copies are available from either the Creek St or Adelaide St offices for **only \$10**.

Get your copy of this priceless treasure before they are all gone!

The book is over 200 pages with 18 chapters covering our history from the founding of U3A Brisbane in November 1986 to the present day. It contains many colour photographs, artworks and illustrations gathered from the archives. This book should take pride of place on your bookshelf.

Class Schedule for Term 2 - 2018

This is a 2nd year class, following on from "Literature in Context 1". We are reading 'A Suitable Boy' by Vikram Seth, a big novel set in post Independence India. Following that, there are some intriguing suggestions for books dealing with White Settlement of Australia, and maybe an understanding of the appalling Justice system that saved people from the rope but condemned them to the Prison Hulks and thence transportation. Our benchmark, though, is always the literary quality of the texts .

During the year we study Hilary Mantel's two Booker Prize winning novels : 'Wolf Hall' and 'Bring up the Bodies'. These two works of historical fiction are brilliantly written and, because they are also challenging for the reader, we go slowly. As well as appreciating the texts, we spend time on their social, political and religious contexts. For example, we touch on The War of the Roses, on Henry VIII's court and many other aspects of Tudor England.

The events are seen through the eyes of Thomas Cromwell.

This course started in October 2014 and is a progressive course, so students already have basic conversation abilities. We will study grammar from my books but use the Internet, songs and stories to demonstrate the grammar. The course involves speaking, reading and listening, with Latin-American emphasis. I also use professional programs with lots of audio by native speakers. These are used for dictation, listening, and translating. Y20 HISTORY OF IDEAS

Krystyna Soler 3372 2379

Email: ksoler@bigpond.net.au

Class continues for 2 Terms - 1 Semester

Many cultures have historically attached special significance to Sirius, the brightest star in the night sky. Our Julian calendar is based on the Ancient Egyptian knowledge of the heliacal rising of the star

Sirius with our Sun which is also a star. Historically, when the dominant geocentric belief was challenged by the radical scientific heliocentric model of Copernicus, Galileo and Bruno, they were persecuted. This PP presentation is an illustrated journey of discovery expanding IDEAS about our Cosmic connections, encompassing the earth, the stars, ancient and modern cultures, religions, philosophies, science and politics.

We may then consider Lucretius' de Natura Rerum, the only surviving work of modern scientific thinking to come from ancient times (it covers atomic theory). Thereafter we may read another book (Bk. 2?) of Vergil's Aeneid.

E28 SOCIAL JUSTICE & AUSTRALIAN SOCIETY

Ongoing

Lawrence di Bartolo

Email: ldibartolo3@gmail.com

We have heard the term 'fairness' used quite often by our political leaders and others in positions of power. But what does this term mean? Does it mean equal opportunity for all? Should it mean more than this if Australia is to be the egalitarian society it claims to be? We will consider the meaning of social justice and its contested nature. We will then proceed to look at aspects of Australian society - for example, inequality, gender, race, sexuality and ageism to help determine how fair/socially just Australian society really is. There will be a \$5 cost per term for photocopying.
