President's Message, Term 2 2019

Hard to believe but I really think this year is going even faster than last year. We are now only 7 weeks from Easter, summer has come and gone, and the days are mercifully becoming a lot cooler - definitely my favourite time of the year.

Maybe it's just me but I always get a buzz when I arrive at Adelaide Street and see the crowds of happy people waiting to attend their classes. Seeing them reminds me we have an excellent paper on the worth of U3A involvement written by Dr Martin Bridgstock, a qualified researcher and member of the Management Committee. This is available on our website: www.u3abrisbane.org.au/index.php/news. I would encourage everyone to read about the benefits Martin has identified. Show it to your friends, it may well be the answer to what they will do in retirement.

Class offerings continue to increase but attendances are also on the rise. Although this is a good thing, it is a bit of a double-edged sword as quite a number of classes have had to put up the Class Full sign. The Management Committee is constantly endeavouring to address this issue but, as classes offered increase, so do the attendances. I might sound like a broken record here, but my advice is still the same – book your class choices as soon as possible on receiving the Class Schedule. I would like to make all members aware that the U3A Network Queensland State Conference is to be held in Bundaberg on the 16/17 May. To encourage members to attend, we are offering to pay the registration fee of \$100 for the first five members who apply. This is a great opportunity to learn more about the U3A movement as a whole so, why not come to Bundaberg, stay a little longer and have a well-earned holiday? The Bundaberg region is one of the premier tourist areas of Queensland with plenty to see and do.

As you are probably aware, the AGM for your U3A is just a matter of weeks away on the 17th April so, come along and hear about our very successful year. The details of this important meeting are in the official AGM notice in this publication. I hope all members have a very enjoyable Term 2 and I would like to wish everyone a very happy Easter.

Greg Doolan
President

U3A WINTER SCHOOL 8th JULY - 12th JULY

A week of invited speakers from universities and specialty groups

Winter School is held annually in the second week of the mid-year term break and consists of a week of specially invited speakers from universities and specialty groups. These subjects are generally not found in our term curriculum and are designed to inform, entertain and generally broaden our horizons and, with around 55 speakers taking part, there is plenty to choose from. If you are a new member and would like to know more, please go to our website and click on Winter School to view last year's program.

Plans for Winter School 2019 are now well underway. This year it will run from Monday 8th July to Friday 12th July so please put these dates into your diaries. **Bookings** will open when the program goes up on our website on 9th June.

We are aiming for the usual 55 plus speakers so there will be lots to choose from. Here is a taste of what's to come: *Retrain Your Brain* from Professor Selena Bartlett QUT; more *Secret Women's Business* from Rosalie Gilbert; *World's Top Ten Breakthroughs in Quantum Physics* from Professor Andrew White UQ; *Sentencing and the Law from the other side of the Bench* by recently retired The Honourable Judge John Robertson.

We will keep you posted with developments via E-News and Facebook and if anyone has come across an interesting speaker for Winter School we would love to hear from you. We can be contacted via winterschool@u3abrisbane.org.au.

We explore the nature of myths, how they are created and how they are often universally accepted as fact. Many myths aim to make sense of our existence and were never meant to be taken literally. Others are dangerous and need to be exposed. I encourage lively debate and participation & require all who attend to bring an open mind & a sense of humour.

R09 WHAT THE BIBLE IS ABOUT - AN INFORMED APPRECIATION OF THE BIBLE

Raymond Sarlin 0491 124 666

Email: ray.sarlin@ymail.com

Suitable for anyone wishing to learn more about the Bible.

The Reformation was 500 years old in 2017, so it's useful to re-examine the Bible with fresh eyes and updated historical and scientific evidence. Greek Bibles flooding Europe from Islam's conquest of the Byzantine empire in 1453 actually prompted the Reformation. This non-religious course applies the integrated nature of the text to enable members to learn to unlock difficult passages for themselves by using the Bible to interpret the Bible. Each week examines one or more books, chapters or passages in detail. Members may nominate topics; no part of the Bible is off limits. Suitable for new and continuing members.

E28 SOCIAL JUSTICE & AUSTRALIAN SOCIETY

Ongoing

Lawrence di Bartolo

Email: ldibartolo3@gmail.com

We have heard the term 'fairness' used quite often by our political leaders and others in positions of power. But what does this term mean? Does it mean equal opportunity for all? Should it mean more than this if Australia is to be the egalitarian society it claims to be? We will consider the meaning of social justice and its contested nature. We will then proceed to look at aspects of Australian society - for example, inequality, gender, race, sexuality and

ageism to help determine how fair/socially just Australian society really is. There will be a \$5 cost per term for photocopying.

Wednesday 10:00am - 12:00pm
