President's Message, Term 3 2020

Welcome to the Term 3 Class Schedule.

We are still unable to offer face-to-face classes due to Covid-19 restrictions. The Management Committee are closely monitoring the removal of restrictions as per the government guidelines and paying particular attention to their advice to our demographic.

U3A Brisbane classes have many venues and each will have to follow the government rules relating to distancing, hygiene and the number of people allowed. Each venue will also need a Covid-19 Safety Plan. The committee will need to manage any return to classrooms very carefully.

It is still a time of 'wait and see' but we will continue to offer many online classes as we did in Term 2. There are also some new classes which were not offered last term.

The opportunity to chat face-to-face in Zoom classes as well as using email and other technologies has been an enormous help in lessening the feelings of isolation that some may have otherwise experienced during this time. As a community of scholars we share a love of learning and an openness to new ideas. We accept challenges and enjoy working together to overcome difficulties.

Please look through the classes available. Remember you can enrol online and if you are unsure about using the required technologies for a particular class then ask for help and we will guide and support you.

I am so pleased and proud to be a member of the U3A community. Members and Tutors have embraced the opportunity to support each other and to accept the challenges of a new way of learning and working. I would also like to thank the many members who have contributed class fees online or who made donations to help keep us financially sound. I hope in this new term you may continue to do so.

I look forward to Term 3 and the opportunity to explore new ideas with other like-minded members and I hope you will join me and enrol in one or more of the many classes available.

Des Taylor
President

ENROL NOW TO KEEP CLASSES ACTIVE

All U3A Brisbane face-to-face classes have been suspended since Monday March 16 and there are no plans to reopen venues in Term 3. All other U3As have taken the same precautionary measures.

The Management Committee will only re-open normal classes when appropriate safety plans are in place and regulations allow us to open. Members will be kept advised of any updates.

In the meantime, it is important that members enrol for Term 3 classes as normal. Tutors can also roll class members from Term 2 into Term 3

This will enable tutors to send Term 3 class material and Zoom meeting invitations to class members once Term 3 starts on 13th July.

It is important that we all maintain our contacts and interests as far as possible at a time when we are adopting physical distancing measures.

We hope you all stay safe during this difficult period and that U3A is able to resume normal operations in the not too distant future. Questions about the situation may be sent to the email address below.

Remember: Enrol in Term 3 classes as normal.

Feedback

If you have any questions or comments about U3A in the current situation, please email to:

feedback@u3abrisbane.org.au

Use Member Dashboard for Class Re-Enrolment

Members will be aware that the *Member Dashboard* has been available on the website for some time now. It enables you to quickly see all current and future classes in which you are enrolled, in addition to any special events or social events for which you are booked.

You can also use the *Member Dashboard* to Re-Enrol for next term, if you are currently enrolled in a class that carries over to next term.

To use this new feature, go to the *Member Dashboard*, linked from the grey lower menu on the website. You just need your member number and surname for identification. Then look for the Re-Enrol button against your current term class.

Tutors Wanted

Every tutor at U3A Brisbane is a volunteer and they come from all walks of life. The common thread that ties them together is the desire to generously share their skills, talents, experience and knowledge with their fellow members. They are the vital engine that drives the organisation.

If you have ever considered the idea of tutoring, then here is opportunity knocking loudly. We need more tutors in all districts to cope with the thirst for knowledge of our growing membership.

For more information please contact: tutors@u3abrisbane.org.au

Class Enrolment Procedure

Members can enrol in one of three ways:

Use *Class Search* on the website to find your class, then click the *Enrol* button to submit your enrolment application to the tutor.

OR

If you wish to continue in a class in which you were enrolled in Term 2, use *Member Dashboard* on the website to re-enrol.

OR

Contact the tutor directly by email or phone. Please advise the tutor of your membership number.

Class Schedule for Term 3 - 2020

Term Dates:

Term 2 ends on Friday 26th June. Term 3 starts on Monday 13th July and finishes on Friday 18th September. **Even though face-to-face classes are suspended, please enrol as normal for Term 3 as tutors will continue to provide learning resources and run online classes.**

Inactive Classes

Inactive classes are **not shown** in this schedule. These are classes where the tutor intends to restart when U3A venues reopen. Although these classes are not listed here, they are shown on the website under *Class Search* but are highlighted with an orange bar.

Zoom Classes

These classes are being conducted online as videoconference sessions using Zoom software. If you have not enrolled in a Zoom class before, you are encouraged to do so. It is not difficult as a participant since you only have to click on a link sent by the tutor prior to the session.

Disclaimer

Any opinions or views expressed in class presentations do not necessarily reflect the views of U3A Brisbane.

Class Fees

To attend any classes, you must be a current financial member of U3A Brisbane (\$40 per year). Voluntary contributions in lieu of class fees are most welcome and appreciated.

Class Enrolments

You can enrol in a class using *Class Search* on the U3A website, or by contacting the tutor directly. To re-enrol in an existing class, you may use the *Member Dashboard*. If you enrol online you may assume that your enrolment is accepted unless the tutor advises otherwise. If you subsequently find that you cannot attend the course, please advise the tutor so that your place may be offered to another member.

Zoom class

Joe Smith

Email: josmith_1_2000@yahoo.com

John Bateman

email cathy_bateman@icloud.com

Thai grammar is very easy: there are no plural nouns and no different tenses of verbs. Numbers or other words show plural and adverbs of time, such as "yesterday", show past. So: "2 child run past yesterday", not "2 children ran past yesterday". Thai language is tonal, like Chinese, but it has an alphabet, unlike Chinese, because of the influence of India. There are levels of language in Thai, more than in English, but in this beginners course, we will focus on common spoken Thai. The textbook: Thai for Beginners, can be bought on Amazon for about AUD30 including postage.

This non-religious course applies the integrated nature of the text to enable members to learn to unlock difficult passages for themselves by using the Bible to interpret the Bible. Each week we examine one or more books, chapters or passages in detail. Members may nominate topics; no part of the Bible is off limits. Suitable for new and continuing members.

The emphasis will be on

creating a collegiate and friendly atmosphere where participants can practice their drawing skills and, should they so desire, receive constructive feedback on their work.
