President's Message, Term 2 2021

It has been an exciting start to the year for U3A Brisbane. Our organization has undergone a major transformation in the way we operate.

I have been so impressed with everyone associated with U3A Brisbane this year. A huge pat on the back to:

- Members who adapted to:
 - a whole new way of learning, with some combination of face-to-face, online or, in some cases, hybrid classes.
 - QR Codes which for many presented a challenge.
 - a new set of COVID Safe rules that ensured our safety.
 - upfront class fees and voluntary \$25 Zoom fees, with the result that U3A Brisbane is now able to offer Zoom Licenses to any Tutor wishing to take a Zoom class.
- Tutors who created new and innovative ways to deal with the current restrictions. We would not be U3A without you.
- Office volunteers, ably led by Yvonne McGann, who implemented the COVID Safe plan and ensured that everyone understood the new rules.
- our City Campus Coordinator, Gail Hawkins, who did such a wonderful job of organizing classes into staggered timeslots despite the restricted room capacity.
- District Coordinators who followed up tutors in the Districts and helped them to organise their COVID Safe plans so many District Face-to-Face classes could operate.
- our ICT Manager, Greg Taylor, who wrote the necessary software and updates for our Computer System to ensure that the Administration of U3A Brisbane, despite the many changes, continued to operate smoothly.
- our Management Committee who have worked hard, often behind the scenes, to ensure that everything was in place and always with our members in the forefront of their minds.

It is a privilege to work with all of you. Enjoy your Term 2 classes. Stay safe.

Des Taylor,
President

PLEASE ENROL NOW

Our two City Campus venues are open again in Term 2 under the same COVID Safe rules as previously. More than 90 face-to-face classes are available there. Many district face-to-face classes will also open. Face-to-face classes are highlighted in the enclosed schedule. Classes that resume face-to-face are required to strictly adhere to our COVID Safe plans as published on our website home page.

It is important that members enrol for Term 2 classes as early as possible as many classes are subject to a room capacity limit. Tutors can also roll over class members from Term 1 into Term 2, subject to room capacity limits.

Class Enrolment Procedure

Members can enrol in a Term 2 class in one of three ways:

Use *Class Search* on the website to find your class, then click the *Enrol* button to submit your enrolment application to the tutor.

OR

If you wish to continue in a class in which you were enrolled in Term 2, use *Member Dashboard* on the website to re-enrol.

OR

Contact the tutor directly by email or phone. Please advise the tutor of your membership number.

Feedback

If you have any questions or comments about U3A in the current situation, please email to:

City Campus operations

We are opening both Creek and Adelaide St again in Term 2 2021. COVID-19 is still with us. We have a COVID Safe plan and a list of precautions which will be implemented to reduce risk to our members who are in the most vulnerable age group.

Class fees

Class Fees must be paid in advance. These should be paid online if possible to avoid congestion and delays at the office. They can also be paid at the Creek St office 9-12am in the week before term starts or in the first week of class, but remember to stay 1.5m apart if waiting your turn at the office. If bringing cash, please have the correct amount to facilitate the process. Credit cards are preferred. Zoom class fees have a voluntary recommended fee of \$25 and should be paid online, also before term starts.

Remember: Do not attend if you are unwell.

General Rules for both Creek and Adelaide Street

To avoid Congestion and Keep us all safe :-

- Class times will be staggered. **Check your class time carefully.**
- Class duration is 1 hour.
- On arrival, go straight to your classroom. No delays or congregating in foyers etc. There will be no chairs in the Creek St foyer.
- You may arrive up to 30mins. early.
- Remember to stay 1.5m apart at all times.
- Kitchens will be closed, so bring your own water.
- We are using our QR Code system to register attendances. You will find a printed QR Code in your classroom. Please read the instructions in the link below for how to use this code, and practise to make sure your phone will read the QR Code. Install a QR Code Scan app if necessary.
<https://www.u3abrisbane.org.au/index.php/qrcode-attendance-system>
- If you do not have a phone that you can use then another class member can enter your number on their phone to register your attendance. You must know your U3A number.
- At the end of class please wipe your chair, table and the surrounds where you were sitting with the sanitised wipes provided ready for the next class.

- After wiping your area leave the premises immediately. Do not stop to chat in the foyer. You can organise coffee with friends outside.
- Carry a face mask and wear when appropriate.
- **No Sharing and no Physical Contact if possible**

Toilets

Use the supplied Sanitiser frequently, especially if you go to the toilet. Remember to wash your hands thoroughly, but also use the sanitiser as well when you return. Stay 1.5 m away from other people and, if necessary, wait outside if it is too crowded.

Adelaide St

- There are a **maximum of 6 people permitted in the lift**. There are 2 lifts – one at each end of the corridor.
- Remember to stay 1.5 m apart while waiting for a lift. Class times have been staggered so this should help congestion.
- After class, if you are able, you may use the stairs to descend, otherwise maintain the 1.5m distances while you wait for the lift.

Office Hours during holidays

The Creek St. office will be **closed** during the term break. However, phone enquiries can be made to 07 3236 3055.

Please bear in mind that the phone is staffed entirely by volunteer U3A members, and they need a break after a very busy term. So please avoid calling during the holiday break if possible. The phone may go to message-bank at times but your call will be actioned.

It helps us very much if you communicate all enquiries by email. Our volunteer staff will call you back if necessary. Email the office at: mail@u3abrisbane.org.au

Stars are the reason planets exist. Without our star, the sun, life on earth could not exist or thrive.

Scientists have discovered that we humans are literally star dust. Every molecule in our body was once fused inside the core of a star. Sirius the brightest star in the night sky which is historically significant in many cultures, is a reference point for this illustrated journey of discovery, through historical ideas, myths and beliefs about our cosmic connections, encompassing ancient and modern civilizations and cultures, their history, religions, arts, sciences and politics. Power Point Presentation.

It would be useful to peruse the common verbs such as essere, avere, mangiare and andare in their present tenses. These can be accessed easily from the internet. Additionally, simply thinking of Italian words already in our language makes for a simple move into the basics of the spoken language.

Zoom class

Thai grammar is very easy: there are no plural nouns and no different tenses of verbs. Numbers or other words show plural and adverbs of time, such as "yesterday", show past. So: "2 child run past yesterday", not "2 children ran past yesterday". Thai language is tonal, like Chinese, but it has an alphabet, unlike Chinese, because of the influence of India. There are levels of language in Thai, more than in English, but in this beginners course, we will focus on common spoken Thai. The textbook: Thai for Beginners, can be bought on Amazon.com for about AUD30 including postage.

R09 WHAT THE BIBLE IS ABOUT - AN INFORMED APPRECIATION OF THE BIBLE

Zoom class

Raymond Sarlin 0491 124 666

The Reformation was 500 years old in 2017, so it's useful to re-examine the Bible with fresh eyes and updated historical and scientific evidence. Greek Bibles flooding Europe from Islam's conquest of the Byzantine empire in 1453 actually prompted the Reformation. This non-religious course applies the integrated nature of the text to enable members to learn to unlock difficult passages for themselves by using the Bible to interpret the Bible. Each week we examine one or more books, chapters or passages in detail. Members may nominate topics; no part of the Bible is off limits. Suitable for new and continuing members.

A few vacancies may exist in this class, but numbers are very limited. Please send the tutor your telephone number and any additional information you think relevant if you wish to discuss this. Topics offered by class members can cover any aspect and period of history from ancient to modern times. Our approach is to offer a cooperative enquiry into the past by encouraging class members to research their chosen subjects and to present PowerPoint presentations of material which interests them. This format allows for diverse points of view to be presented in a convivial and respectful way. Many class members share a coffee afterwards.

H51 HISTORY - ENGLAND IN THE 15TH CENTURY

Face-to-face class

Maureen Lillie

This is a very interesting period bracketed by the huge population loss caused by the Black Death in the late 14th century and the discovery of the New World. There were changes to everyday life; the Wars of the Roses changed the ruling dynasty in England and new technology allowed ideas on science and religion to spread. Recent finds are causing a re-examination of the century and our ideas about it, but there are persistent myths. What was it like to live in those times?

A10 ART - PENCIL PORTRAITURES

Following the popularity of the current Friday afternoon pencil portrait classes, there has been demand for a sister class to be held. The emphasis will be on creating a collegiate and friendly atmosphere where participants can practice their drawing skills and,

should they so desire, receive constructive feedback on their work.
