July 2012**

**Social Committee :**

Following a positive response from a number of people wishing to book a table for the function., here are details about the 2012 Christmas Party. The Committee has decided that as the bookings are so early, we will vary the usual requirement of payment when you book. If you wish to make a booking as a class group or as individuals, you can then pay for the function from 8-Oct-2012, the beginning of Term 4. Payment can be made during the first week of term 4 to make it easier on the office staff. The booking slip will be in the next Class Schedule which will be either on-line or delivered to you the week of September 18th.

**U3A Annual Christmas Party**
